

THE PHARAOHS TOMB

During the third dynasty of the ancient empire there ruled a great Pharaoh with enormous wealth. He commanded that all his wealth shall be placed in a special tomb that was built over a very deep pit.

The myths about the tomb tell us of trap doors and walls that move. We've also heard that the kings ghost is still there protecting his treasure to this day! Automatic multi-level with free plays. High resolution full color graphics. Special sound effects. The Tombs are different each time you play! How long can you last in the Pharaohs Tomb?

BATTLE OVER TITAN The year is 2033.

Your short range scanner has located Torg craft that are out to destroy your outpost on Titan. Time is crucial! Can you maneuver your Drone through the diminishing weak areas in the Torgs scanner and weapon aiming systems. How long can you stave off the Torgs attack? High speed, fast action, special sound effects, high resolution full color graphics, 10 levels of difficulty, random game boards — no two games play alike. Will you be able to repair additional fighter drones in time to save your outpost?
